

Member of Provincial Parliament

Greetings from Billy Pang, MPP

*As the Member of Provincial Parliament for Markham-Unionville, I am pleased to extend my warmest regards and congratulatory wishes to **Canadian Pulmonary Fibrosis Foundation (CPFF)** for hosting the **Robert Davidson Walk for Pulmonary Fibrosis** on September 21, 2024.*

For most of us who enjoy good health, breathing is something we don't think about. Unfortunately for approximately 30,000 Canadians who suffer from pulmonary fibrosis the simple act of breathing becomes a constant challenge. This event not only raises awareness for this disease, but it also raises funds needed to help find a cure and ease the pain for those who are suffering.

I thank CPFF, all the generous donors and everyone involved in putting this event together. I wish you all much health and happiness!

Sincerely yours,

A handwritten signature in purple ink that reads "Billy Pang".

OLIVIA CHOW
MAYOR

Proclamation

Pulmonary Fibrosis Month

September 2024

WHEREAS today we raise awareness of pulmonary fibrosis (PF) a lung disease that causes inflammation and/or permanent scarring of the lungs, making it difficult to breathe.

It is important to understand that PF is a chronic disease that acts differently in everyone who lives with it. Although 30,000 Canadians live with PF, half of them have idiopathic Pulmonary Fibrosis, where the cause is unknown.

PF can be difficult to diagnose as it may take years for symptoms, such as shortness of breath and chronic cough, to develop.

Pulmonary Fibrosis Month is an opportunity to learn more about PF and understand the challenges that can occur for those who live with the disease.

The City of Toronto supports organizations committed to raising awareness about diseases, conditions and illnesses that affect all Canadians. Through education, fundraising and support, the health and well-being of our communities are improved.

NOW THEREFORE, I, Mayor Olivia Chow, on behalf of Toronto City Council, do hereby proclaim **September 2024** as "**Pulmonary Fibrosis Month**" in the City of Toronto.

Congratulations

From

Regional Councillor Joe Li

To

**CANADIAN PULMONARY
FIBROSIS FOUNDATION**

For your

ROBERT DAVIDSON WALK FOR PULMONARY FIBROSIS

As Regional Councillor for the City of Markham, I extend my heartfelt congratulations to the organizers, volunteers, and supporters on the incredible success of the Robert Davidson Walk for Pulmonary Fibrosis! This event not only honors the legacy of Robert Davidson—an inspiring pioneer in the fight against PF—but also drives vital awareness for a cause that affects thousands of Canadians. Your efforts help shed light on a disease that deserves more recognition and support. Thank you for your extraordinary dedication and for continuing Robert's impactful work. Wishing you continued joy and prosperity in your future endeavors!

Congratulations

to

Heather Davidson & The Canadian Pulmonary Fibrosis Foundation

on the occasion of the

Robert Davidson Walk for Pulmonary Fibrosis

September 21, 2024, Toogood Pond Park, Unionville, Ontario

Robert Davidson left a lasting legacy as the Canadian Pulmonary Fibrosis Foundation Founder. Thank you for the difference you make continuing his quest for awareness and hope of those with Pulmonary Fibrosis.

Wishing you an incredibly successful event.
